只要民族没有复兴，我们的责任就没有完成；
只要天下还有贫穷的人，就是我们自己在贫穷
中；只要天下还有苦难的人，就是我们自己在
苦难中。这是我们北大人的胸怀，也是我们北
大人的庄严承诺！

*As long as our nation has yet to be rejuvenated, we
have not fulfilled our duties; as long as poverty remains
under the sun, we are not free from poverty ourselves;
as long as there are still people suffering, we are not free
from suffering ourselves. This is what we, here in Peking
University, aspire to transform! This is our most solemn
pledge!*

北京大学新结构经济学研究院

Institute of New Structural Economics at Peking University

北京大学作为中国前沿研究和知识创新的重要基地以及高素质、创造性人才的摇篮，一直致力于为国家知识创新和社会变革提供源源不断的智力支持和不竭动力，为创新型国家的建设做出了重要贡献。依托雄厚的学科实力和创新包容的学风传统，北大人聚焦关系人类福祉的重大理论问题，创造了众多具有国际影响力的顶尖学术成果。总结于中国改革发展经验，被国际经济学界称为继“结构主义”和“新自由主义”之后的发展经济学第三波理论思潮的“新结构经济学”便是其中之一。

在北京大学全力加快争创世界一流大学步伐之际，新结构经济学研究院的成立开创了我国社会科学理论自主创新之先河，为中华民族的伟大复兴，为引领国际学术思潮，提升我国文化软实力，为人类的知识和福祉的增进做出贡献。

北京大学新结构经济学研究院本着“唯成乃真知”的理念，推动“知成一体”的新学风，以打造立足于中国和其他发展中国家发展经验，引领国际发展经济学思潮和政策实践的国际旗舰型研究、教学、政策咨询机构为宗旨。

A cradle for frontier research, innovative knowledge and creative talents, Peking University has substantially contributed to China's cause towards an innovation-driven economy, by dedicating to the intellectual and social progress of the country. With inclusiveness and creativity deeply rooted in its tradition, Peking University applies its outstanding academic strength to working on crucial theoretical issues that concern the well-being of all mankind. New Structural Economics (NSE) draws from the development experiences of China and other developing countries and aims to make original theoretical and empirical contributions to development economics, which is gaining international recognition as the third theoretical wave of development economics after Structuralism and Neoliberalism.

The Institute of New Structural Economics (INSE) at Peking University is committed to leading world academic thinking by pioneering China's indigenous theoretical innovation of social sciences, and contributing to the great rejuvenation of the Chinese nation, elevation of China's soft power, as well as promotion of the knowledge and well-being of all mankind.

Upholding the belief that “only the knowledge helping people fulfill its promise is true knowledge” and promoting the new academic code of “knowing and achieving being one”, the mission of the INSE is to become a global flagship institution excelled at research, education and policy consultancy, and to lead international development thinking and policy practice, based on the experiences of China and other developing countries.

推进自主理论创新

Promote Indigenous Theoretical Innovation

世界级原创性理论成果

致力于自主理论创新，提出、丰富和推广原创性的理论体系和政策框架，为人类社会的发展做出重大贡献。

World-Class Original Theoretical Contributions

The INSE is dedicated to proposing independent theoretical innovations, promoting original theoretical and policy framework, and making significant contribution to the development of the human society.

新结构经济学系列教材、出版物与杂志

系列教材、出版物与杂志是拓展、传播新结构经济学的主要方式，有助于树立新结构经济学在国内国际学术界的引领地位，推动全球有志于研究、推广和运用新结构经济学的学者深化交流、合作。

NSE Textbooks, Journals and Publications Series

The NSE textbooks, journals and publications series are the major channels for dissemination of NSE. They are instrumental to establishing the leading position of NSE in domestic and international academia and facilitating in-depth communication and cooperation in NSE research among scholars.

新结构经济学研究联盟

与国内外众多兄弟院校和政策实践机构合作创建新结构经济学研究中心，搭建学术研究联盟，有利于形成学术共同体，深化新结构经济学理论、政策研究，切实提升新结构经济学在国内外的影响力。

NSE Research Consortium

The INSE partners with domestic peer universities and research institutions to establish Centers for New Structural Economics and the NSE Research Consortium as a community for in-depth cooperation in academic and policy research, which will serve to enhance the influence of NSE at home and abroad.

培育世界一流人才

Cultivate First-Class Talents

博士生培养

自2018学年开始，通过夏令营直接在全国范围内选拔优秀本科生进入硕博连读课程，以及在全国应届硕士研究生中招生进入博士课程，为我国经济科学的自主理论创新和未来的社会经济发展培养一流人才。

PhD Program

Starting from 2018, the INSE PhD program enlists excellent undergraduate students through summer school and graduate students from their application. The Institute aspires to cultivate outstanding talents for China's economic theoretical innovation and the country's future social and economic development.

师资培训班

一年一度的全国新结构经济学师资培训班，以学术报告、专题研讨的形式，帮助广大优秀青年教师、学者，深入学习、了解新结构经济学各领域的研究前沿及其研究方法。

National Teacher Training Program

In the form of academic presentations and panel discussions, the annual national teacher training program aims to help the outstanding young teachers and scholars to study and understand the research frontiers and research method of NSE.

发展政策实务培训班

为满足国内各地以及发展中国家（尤其是位于非洲的发展中国家）政府经济转型升级，实现包容可持续发展的需要，以新结构经济学为理论框架定期举办面向国内各地和发展中国家政府官员的发展政策实务培训班。

Training Programs on Development Policy

To meet the needs of governments from both China and other developing countries (African countries in particular) to transform and upgrade their economies and achieve inclusive and sustainable development, the INSE organizes development policy training programs regularly towards government officials, based on the theoretical framework of NSE.

深化全球前沿合作

Deepen Global Frontier Cooperation

经济结构转型全球研究联盟

在北京大学新结构经济学研究院的倡议和联合国开发计划署以及联合国南南合作办公室的支持下，经济结构转型全球研究联盟于2016年5月在纽约联合国总部启动，12月在北京举行首次工作会议并审议通过联盟章程。联盟33个创始成员包括2家国际多边发展机构、11家发达国家研究机构和20家发展中国家研究机构，秘书处常设于北京大学新结构经济学研究院，林毅夫当选为首届联盟主席。联盟开展以新结构经济学为理论基础的全球合作研究和实践。同时，以开放性的平台在全球范围内集合一批对某一具体发展议题感兴趣的政策实践者，建立发展经验分享的全球政策联盟。

Global Research Consortium on Economic Structural Transformation (GReCEST)

Initiated by the INSE, with support from the United Nations Development Programme (UNDP) and the United Nations Office for South-South Cooperation (UNOSSC), the GReCEST was launched in May 2016 at the United Nations headquarters in New York. The GReCEST aims at fostering intellectual partnerships to help developing countries achieve economic structural transformation. The 33 founding members of the GReCEST include two international organizations, 11 research institutes and think tanks from developed countries, and 20 research institutes and think tanks from developing countries. In December 2016, the inaugural conference of the GReCEST was held at Peking University in Beijing, during which members deliberate on the GReCEST bylaws and work plan. Justin Yifu Lin serves as the inaugural chair of the GReCEST, and the GReCEST Secretariat is housed at the INSE.

引领国际发展实践

Pioneering International Development Practice

通过智库研究和咨询将新结构经济学的思想、理论、模型和诊断工具应用到国际和国内的发展实践中，以助力发展中国家与地区实现经济转型升级。运用因势利导与增长甄别政策分析框架，为广大发展中国家政府部门提供经济产业诊断和相应政策建议，实现全球各个国家和中国各个地区“经济结构转型升级”的“理论-政策-咨询-培训-实务”的高度融合；以构筑“产业规划—园区规划—招商引资”一条龙服务模式，助力“一带一路”全球发展；举办智库建设研讨会，建立国内外的智库网络，搭建地方政策研究与实践工作站，打造国内外产学研融合的交流合作平台。

Through think tank research and consultation, the INSE applies the ideas, theories, policy tools of NSE in international and domestic development practices to help developing countries and regions achieve economic transformation and upgrading. The institute strives to support policymakers of developing countries by conducting first-class policy research and providing an integrated one-stop service of “Economic Assessment - Diagnosis and Evaluation of Special Economic Zones - Investment Promotion”. The institute constantly holds activities and conferences to promote think tank cooperation both at home and abroad. It also collaborates with governments and research institutes to build local policy research and practice workstations for in-depth exchanges and cooperation in regional economic development.

助力永续发展

Support Sustainable Development

稳定的资金支持是北京大学新结构经济学研究院从事理论创新、学科建设、人才培养、学术交流、智库建设和政策实践的动力和源泉。

目前，研究院设立三项捐赠基金，其中“发展建设基金”和“讲席教授基金”为不动本基金，本金保留，每年使用基金收益于项目支出；“学生培养基金”为动本基金，本金将用于项目支出。

发展建设基金

为北京大学新结构经济学研究院的发展建设提供稳定的经费支持，覆盖教学科研活动、国际学术交流、深化全球前沿合作、培养一流人才、智库实践、案例库和数据库建设等支出。发展建设基金本金为3亿元人民币。

讲席教授基金

讲席教授基金是北京大学新结构经济学研究院授予教职人员最崇高的荣誉，代表着新结构经济学教学科研的前沿水平。每个讲席教授席位的捐赠额为2000万元人民币。在教授工资福利待遇基础上，基金的收入将用于提高讲席教授的薪资，以吸引和留住杰出人才。

学生培养基金

学生培养基金用于研究院“博士生培养”计划，为社会培养高素质人才。学生培养基金捐赠额为100万人民币起。基金在公平公正的评估与监管机制下，用于在读博士生岗位奖学金，激励学子不断进取，追求卓越，使其为未来报效祖国、服务社会做好充足的知识与能力储备。

Stable financial support for the Institute of New Structural Economics is the driving force and source of theoretical innovation, discipline construction, talents cultivation, academic exchange, think tank construction and policy practice.

Currently, the INSE sets up three types of funds, of which the “Education Development Fund” and the “Chair Professorship Fund” are non-expendable, and the “Student Education Fund” is expendable. The principal of non-expendable fund will be permanently retained, with their revenues being used to support activities of INSE, while the expendable fund means its principal will also be used for specified purposes.

Education Development Fund

The Development Fund provides stable financial support for the development of the INSE, covering teaching and research activities, international academic exchanges, global frontier cooperation, talents cultivation, and the construction of databases and case libraries. The donation for the Education Development Fund is RMB 300 million.

Chair Professorship Fund

The Chair Professorship Fund is the highest honor the INSE offers to faculty members, representing the forefront of the teaching and research of NSE. The donation for each chair professorship is RMB 20 million, which will be used to retain outstanding talents by raising the competitiveness of salaries of the awardees.

Student Education Fund

The Student Education Fund is to support the PhD program, cultivating high-quality talents for the society. The minimum amount of donation for the Education Fund shall be RMB 1 million. The fund will be used as PhD scholarship to encourage students to keep making progress, pursue excellence, so that they can do a good job in serving the motherland and the society in the future.

捐赠命名

基金将根据捐赠方意愿命名为“北京大学新结构经济学研究院 xxx 教育发展基金”；受资助的学术活动均应注明本基金的支持。讲席教授命名为“xxx 讲席教授”，获聘教授在学术场合需使用上述全名，例如：发表文章、新闻发布、国际学术交流活动及所使用的信笺和名片。

公益宣传

北京大学新结构经济学研究院将以新闻发布、学术成果宣传等多种形式，结合教授科研成就，广泛宣传弘扬捐赠方热心公益、尊师重教的崇高精神，通过多种方式感激捐赠方对北京大学新结构经济学研究及人才培养事业的鼎力支持。

捐赠免税

北京大学教育基金会具有公益性捐赠税前扣除资格。个人的公益捐赠额未超过纳税义务人申报的纳税所得额 30% 的部分，和企业公益性捐赠支出在年度利润总额 12% 以内的部分可以从其应纳税所得额中扣除。
